

## March 2022

There are 260 chapters in the New Testament. If you read five chapters in the New Testament each week, you will complete the New Testament in just under one year. You will also read one chapter each from Genesis and Proverbs each week. This will take you through the book of Genesis in 50 weeks and through the book of Proverbs one and two-thirds times.

**1 Peter 2:2 - "As Newborn babes, desire the sincere milk of the word, that you may grow thereby:"**

This schedule is designed to help you read your Bible and pray every day.

Ask Yourself ...

Who is Speaking?  
Who is being spoken to?  
What is being said?  
Are there any commandments to obey?  
Are there any promises to claim?
